

# LEADERSHIP IN DISRUPTIVE TIMES

Thrive in turbulent times! The Leadership in Disruptive times certificate program builds the technical, analytical and tactical skills essential for excelling within an erratic environment. You learn to maximize all your available resources plus incorporate emerging technologies and new business models. Through entirely online instruction, you complete hands-on projects based on real challenges and establish an experience that is ready for further application. Additionally, industry professionals and leadership experts provide in-depth instruction and mentorship to ensure successful skill development.

## Why enroll in the Leadership in Disruptive Times program?

### **Capitalize with your skills**

Turn uncertainty into an opportunity for growth and gaining an advantage over the competition.

### **Get Motivated to Innovate**

Discover better strategies for engaging your employees and encouraging productivity.

### **Short, Smart and Socially Distant**

Take a total of 8 weeks to finish the online course from the comfort of your home.

### **Effective Immediately**

Complete the program with a Capstone Portfolio containing an action plan for your current work and the resources to develop plans for upcoming work.

## Program Overview

The Leadership in Disruptive Times program involves 8 weeks of online instruction or 4 days in a classroom. Professional experts guide the students through the coursework. During the program, you will develop a project, and refine and complete a detailed roadmap on how to implement your plan. You will leave with a Professional Capstone Portfolio, a blueprint to execute immediately at your organization. Students finish by taking a total of 8 modules.
